Mission Statement

Believe. Belong. Achieve.

At All Hallows RC High School, we are a Christ-centred community committed to living out the Gospel values in every aspect of our school life. Our school mission is to inspire, support and challenge every member of our school. We **believe** that every person is created in the image of God and that they grow in faith guided by the teachings of Christ. We strive to foster an environment where love, peace, courage, justice and kindness guide our actions so we develop into compassionate, resilient individuals who contribute positively to the world around them.

We are a community built on love, demonstrating unconditional respect and kindness for all. By fostering strong relationships, we ensure that every individual feels that they **belong**, are valued, supported and accepted as part of our family. We celebrate our differences and each person's uniqueness. We encourage forgiveness and understanding to create an environment where every pupil can flourish in their own way.

Through these values, All Hallows RC High School nurtures the whole person spiritually, academically and socially so they can **achieve**. We are a school where the Gospel values are not just ideals but the foundation of everything we do. With Christ at the centre, we enrich the lives of our pupils and guide them on the path of faith, purpose and integrity.
